20. The Deputation consisted of messrs C.S. Kuppuswami Iyengar, the then DC of Kadur, Hosakoppa Krishna Rao and C. Vasudeva Rao, as per resolution of the District Board dated 8th March 1932 with a view to bring about a speedy execution of the proposed Kadur - Chickmagalur Ry. scheme, and the Dewan was pleased to promise to meet the deputationists on the 24th July 1932 at Bangalore. It may perhaps be mentioned in this connection that in answer to the question at the L.C. meeting as to the personnel of the Deputation Mr. C.S. Kuppuswami Iyengar's name has not been mentioned and that of Mr. B. Deva Gowda's is found on the list, and from the records available it cannot be made out

22) These calculations have been ascertained from the Comptroller's office to be correct. But in the statement of expenditure furnished by the President a sum of Rs 15 of- has been shown as T.A. The difference cannot be explained in the absence of details of T.A, which the President may be asked to furnish.

23) Regarding the daily allowance — the exact period of the stay of the members of the Deputation is not known. The President in his letter dt 12.12.33, only states that a stay of about a fortnight had to be made at Bangalore, without giving the exact no. of the days of halt at Blore. This has also to be ascertained. The daily allowance. It is however submitted.

I submit herewith a Final Note by the Second Member of Council regarding the expenditure relating to the Deputation to the Dewan in connection with the Kadur-Chickmagalur Railway Scheme.

Mirza M. Ismail

Mysore,
15th February 1934.

D E W A N.

Final Note by the Second Member of Council.

Subject:—

Expenditure relating to the Deputation to ~~to~~ the Dewan in connection with the Kadur-Chickmagalur Railway Scheme.

The "Hindu" of the 3rd November 1933 referred to an expenditure of Rs.750 having been incurred by a deputation consisting of Messrs. Hoskoppa Krishna Rao, C. Vasudeva Rao and B. Deva Gowda of the Kadur District Board who waited upon the Dewan in Bangalore in July 1932 to discuss the question of linking Chickmagalur with Kadur by railway.

Details of expenditure were called for from the President, District Board, Kadur, who furnished the following figures:-

		Rs.	as	p.
Travelling Allowance	...	150	0	0
Honorarium ...	...	100	0	0
Publicity ...	...	200	0	0
Lunch ...	...	50	0	0
Typing ...	...	100	0	0
Car hire ...	...	100	0	0
Building hire (rent)	...	50	0	0
Total	- Rs.	750	0	0

The District Board, Kadur, have resolved at their meeting held on the 29th October 1933 that the above expenditure be accepted. The President requested approval of the resolution by Government.

After a careful consideration, Government decided that the deputationists could claim only Travelling Allowance and Daily Allowance to which they were entitled under the rules. Orders have been issued that necessary action be taken to recover from the deputationists the money paid to them for items other than the usual travelling and halting allowances.

The papers are submitted for His Highness' gracious perusal.

(From Our Own Correspondent)

DEWAN'S OFFICE

AJJAMPUR KHADI CENTRE

Chickmagalur, May 11.

It has been decided to have the anniversary of the Ajjampur Kadi Centre on the 24th idem, and it is understood that a Khadi exhibition will also be held in this connection. The District Board has voted a sum of Rs. 200 for expenses in this connection. This Khadi Centre, the pet child of Mr. Hosakoppa Krishna Rao, is steadily coming to be noticed with interest even by the present Board, thanks to the interest evinced by Mr Bagamane Deva Gowda and Mr Kavilgudigai Subba Rao convenor of the Khadi Centre, and the ever watchful eye of Mr Hosakoppa. Mr S. P. Rajagopalachary, Member of Council has been approached to preside over the function and also to open the exhibition.

RAILWAY DEPUTATION

It will be remembered that during the time of the old District Board, a deputation waited on Government to stress the importance of a railway connection to Chickmagalur from Kadur and extension of railway to the interior of Malnad at the express desire of the Board. It transpires that the Government has now taken objection to the expenses met with by the Board in this connecion and has asked the Board to arrange for recovery of the whole amount to the tune of Rs. 750 from the members forming the deputation. The Board discussed the question at its last meeting and the matter took a new turn when following the suggestion of a majority of the members it was proposed to represent to the Government the validity of this item of expenditure and the necessity to drop the matter as closed in the interest of the Board and the Government. It is surmised that something in the nature of a wholesale resignation of the members of the Board except a few may perhaps be the outcome should the Government still persist to disregard the feelings of the Board in this matter.

ROADS IN MALNAD

The conditions of Malnad roads are anything but satisfactory. The Government should particularly have an eye on these roads as they are the only channel of transit for them. The road from Narasimharajpur to Sringeri is hopelessly bad and people feel uncertain of what may happen to their person while on bus or carts in their journey as due to deep ruts, etc. It is hoped that the P. W. D. will look into this and see that some improvement is done.

File No. of 193 General and Revenue Secretariat

150 The present President Mr Davge Gowda, himself was the deputationist, now thus he entire burden on the past president Mr Hoskoppa Krishna Rao, on the ground that the late Mr Vasudeva Rao and himself drew nothing but the T.A admissible under rules. Beyond making a vague statement that nothing is likely to be recovered from Mr Hoskoppa he does not send a copy of any communication from Mr Hoskoppa or represent exactly what he has stated.

Returned with compliments.

155 The expenses incurred by the members of the Deputation are very extravagant and not in any way justifiable. If the Members wanted to go over to Bangalore on behalf of the District Board, they would be entitled only to the T. A., and the daily allowance. Expenses such as honorarium, publicity charges ~~etc~~., would not be permissible and there is no satisfactory ~~xxxxxx~~ explanation for incurring them. It is, therefore, a misapplication of the District Board Funds and action may be taken under section 37 of the Regulation, by filing a suit for recovery of the amount in question.

156 If formal notices are issued to Mr. Deve Gowda and Mr. Bosakoppa Krishna Rao, it is just -

possible they may pay the amount in order to avoid a suit in a Court of law. Mr. Deva Gowda, the present President seems to be now trying to avoid his liability by saying that he drew only what he was strictly entitled to and that he is, therefore, not liable to make good any portion of the amount misapplied as above mentioned. But, in his letters dated 12-12-1933 and 5-5-1934, he has practically admitted that he was also responsible for incurring these objectionable items of expenditure. In his letter dated 12-12-1933, he has stated that the amount claimed by them was far less than what was actually spent and that the expenses were legitimately incurred. In his second letter dated 5-5-1934, he has stated that these matters were within his own knowledge and that all the expenses were necessary. He cannot, therefore, be permitted now to avcid his liability by saying that he did not draw more than his own Travelling Allowance etc.

COST OF ADDRESS

To be Borne by Dt. Board Members

(From our own Correspondent)

ELLORE, Nov. 18.

That the members should themselves bear the extra expenditure of Rs. 200 incurred in connexion with the presentation of an address to the Education Minister, Madras in June last, was the decision eventually arrived at by the West Godavari District Board at a meeting held to-day. The Government had refused to sanction the expenditure as it was laid down that on occasions of this kind local bodies should not spend more than Rs. 50.

At the same meeting it was decided by the Board that the fees collected from the pupils of the newly opened VI Form of the Board Secondary School at Nidadavole be refunded to the pupils who intended joining other institutions, as the Government refused permission to the Board to continue the class.

KADUR DISTRICT BOARD

(FROM OUR OWN CORRESPONDENT.)

KADUR, Oct. 31.

Sharp passage-at-arms between the President and some of the members marked the proceedings of the Kadur District Board held on the 26th and 27th instant. Mr. B. Deve Gowde, President, presiding.

Discussion started when item relating to the Railway Deputation Committee was presented and the members asked to approve of the statement of expenditure incurred in that connection. Mr. Hosakoppa Krishna Rao, ex-President, Mr. Deve Gowda, the present President and Mr. C. Vasudev Rao, were deputed by the Board last year to wait in deputation on the Dewan Saheb of Mysore to press the claims of the Board for linking up Chickmagalur with Kadur by railway. They had incurred an expenditure of Rs. 750 which included a sum of Rs. 200 given to journalists Rs. 100 spent on publicity. Rs. 150 for lunch and Rs. 100 for car hire in connection with the trip to Bangalore and the members were asked to approve of the same. Some of the members objected to the approval of the expenditure on the ground that the items of expenditure had not been supported by vouchers. Finally the statement of expenditure was approved by a majority.

The letter from the Deputy Commissioner, Kadur District, forwarding a copy of Government order regarding the apportionment of shandy realisations between the District Board and Village Panchayats and requesting to be informed as to what proportion of this revenue, the Board were willing to assign to the Panchayats was next discussed and it was resolved to give 20 per cent of the shandy realisations to the Village Panchayats concerned on the understanding that the same would be spent by the respective panchayats for the improvement of the shandies. In their order dated 5th September the Government stated that in the present financial position of the Board, their resolution for the abolition of all the newly opened District fund tolls-gates could not be considered. The meeting decided to represent to the Government to reconsider the matter.

In regard to the schemes suggested by the District School Board Officer for the expansion of Elementary education in the District, the meeting decided to reply that none of the 3 schemes were acceptable inasmuch as they were not able to incur any additional expenditure at present.

GENERAL SECRETARIAT 15 DEC. 1933 L.S.C.

Sir,

Adverting to your letter No. L. 3426/L.B. 90-33-1 dated 14th November 1933, I have the honour to state that the Committee constituted for waiting on the Dewan to urge for the construction of the Kadur - Chickmagalur Railway after return from deputation work considered the question of expenditure incurred in connection with the deputation and after deep -- deliberation over all the details they accepted the statement of exbenditure amounting to Rs. 750/- in all.

I was also a member of the deputation Committee throughout and so far as I am personally aware, the expenditure has been far less than what has been actually incurred. A detailed Memorandum on the subject had to be prepared which entailed considerable work and the same had got to be done by special payment. That alone took nearly a months time as many a previous file had to be searched and necessary statistical informations gathered. A stay of about a fortnight had to be made in Bangalore in this connection. A Car was engaged while staying in Bangalore and several other expenditure incidental to such works so as to attract strong public attention there to had to be incurred.

The Standing Committee and the Board went into the question fully and with the exception of one or two dissenting

members

lembers they have approved the expenditure as furnished by
he Committee.

Under these circumstances. I strongly urge and earnestly request that the resolution of the Board may kindly be approved by Government.

I have the honour to be,

Sir,

Your most obedient servant,

President,

The Deputy Commissioner,
Kadur District, Chikmagalur.

Sir,

With reference to your letter No.L. 6035 L.B. 90-33-5 dated the 7th February 1934, I beg to request the kind attention of Government to the following factors with a view to a reconsideration of the decision already arrived at.

2. As for the objection raised in respect of the honorarium of Rs. 100/- paid, it was a necessity in view of the fact that the preparation of the Memorandum entailed a lot of laborious work and reference to the old literatures in connection with this Railway Project and which could not be done by the Office Staff itself and thus the need was manifest for entertainment of a private labour competent to deal with such works. This was approved of by the Committee.

Regarding typing the majority and I must say that it is is is within my knowledge, myself happened to be one of the deputation- ~~all most~~ almost all the work in connection with the deputation had to be done in Mysore and Bangalore away from Chickmagalur and this accounted for typing charges as the office typist could not be taken out of Headquarters in the interest of office work.

4 Building grant and car hire were real necessities as the deputationists had to make a prolonged stay for more than a fortnight before they had access for representation and the

the interest and nature of work could not be done without a quick conveyance.

The Standing Committee and also the Board had gone into these items of probable expenditure in all details and after a strict scrutiny approved and sanctioned the above items, if otherwise such commitments would necessarily have been - eliminated.

6 I should like also to mention that I was on the Committee and it is within my knowledge that these items of expenditure had such attention at the hands of the Committee as and would not open a need for any criticism or objection either from the public or from the Government.

7 Further when this subject came before the Board, the Board was conspicuous in raising their unequivocal -- disinclination to fall in with the attitude the Government has taken in the matter. Though the house was thin and there were only 11 members present a majority viewd the proposal of the Government in this affair as entirely not justifiable and fair in view of the sanction the deputation had both from the Board and the Standing Committee. (Copy of the Resolution is herein enclosed). The feeling was also expressed that this would set up a bad precedent and likely to disillude the - powers and privileges which the Board had been enjoying.

8 As this expenditure was incurred by the deputation on the express sanction of the Standing Committee before hand and the subsequent approval of the Board after the report made by the deputationists this expenditure could have little application to the sense in which the Government take it as misapplication of the Board's funds.

I would therefore beg to request in view of the above explanations that the Government would kindly reconsider their decision in the matter and have the affair dropped as closed.

I have the honour to be,
Sir,
Your most obedient servant.

Sir,

Adverting to your D.O. letter No. 2095/L.B. 90-33 dated the 20th/21st September 1934 addressed to the Deputy Commissioner regarding the recovery from the Deputationists of Railway Deputation charges, I have the honour to state that in accordance with the wishes of certain members of the Board the matter was once again brought for the 3rd time before the District Board on 18-1-1935 when the House was almost full, 25 members being present out of 32.

The question was considered threadbare and they opined as follows:-

(1) In view of the fact that the expenditure was incurred by the deputationists on the express sanction of the Standing Committee beforehand and the statement of expenditure had the subsequent approval of the Board it cannot be taken as misapplication of Board's money as the expenditure was bonafide and was incurred in the interest of the Board as the circumstances which necessitated the expenditure have already been explained to Government in detail in letter No.L.B. 1-126/33 dated 5-5-1934.

(2) The Board accepted the expenditure although it was in excess of the amount admissible by the rules in consideration of the fact that the deputationists in their

anxiety and eagerness to bring to a successful issue the long pending question of Railway Construction tried to leave no stone unturned which necessitated their stay at Bangalore for over a fortnight and the incurring of the expenditure towards house rent, car-hire, publication charges etc which was inevitable to attain their object which was as per desire of the Board.

(3) As the deputation ceased to exist after functioning the special work allotted to it by the Board and as the statement of expenditure is accepted by the Board, the orders of recovery if executed may lead to unnecessary complications.

(4) Above all, as this is a matter involving the prestige of the Board the benign Government be requested to support, as a special case, the action taken by the District Board-a popular semi-Government created by the Central Government.

Under the circumstances explained above and after a thorough and careful consideration of all the aspects of the subject the District Board unanimously resolved that Government be again moved to kindly reconsider their orders and sanction the Board's resolution accepting the expenditure, as a special case.

In submitting herewith a copy of the Resolution passed by the Board at their meeting held on 18-1-35 I beg to state that although the expenditure incurred appears a little excess over that ordinarily considered admissible, the bonafides of the deputation in their anxiety and enthusiasm to get at the desired end cannot be doubted. Hence, I request that the Government be graciously pleased to reconsider their order with a sympathetic consideration on the Board's action and have the affair dropped as closed in the interests of the prestige of the Board.

The Board is of the unanimous feeling that Government may be moved to kindly reconsider the question and waive the objection as the deputation was carried on at the expressed desire of the Board which was largely actuated by the anxiety to move the Government to give effect to their desire of having the long wished for Railway, and as the expenses incurred were inevitable.

I write to invite reference to your D.O.Letter No. L.5825/L.B.90-33-11 dated 22nd February 1935 in regard to the recovery of the amounts spent without authority by the Railway Deputationists of the Kadur District Board and to state that I discussed the matter with the President of the District Board. He has sent me a communicati of which I enclose a copy. There is much foree in what Mr.Devagowda says. Mr.Vasudeva Rao is very ill and has fallen on evil days. - Mr. Hosakoppa Krishna Rao is unhappy with his recent bereavements. Mr. Devagowda says that he is willing to pay some part of the amount if required but he is not over prosperous and it would not be fair to make him alone pay. I beg to suggest in the circumstances that - Government may remit the claim in full with a warning that such expenditure should not be incurred in future without previous sanction. The Board understand that the action of their deputation was irregular and as you will see from the President's letter, they give assurance that recurrence of such irregularity will be avoided.

Alluding to our personal talk at Kadur on the 25th instant regarding the Railway Deputation charges, I write to state as follows:-

The deputation consisted of 3 members viz., Messrs. Hosakoppa Krishna Rao, C.Vasudeva Rao and myself. Of these Mr. Hosakoppa Krishna Rao is in great grief having lost two of his beloved daughters and some relatives in the recent small-pox out-break at Hosakoppa and C. Vasudeva Rao is laid up with Paralysis for more than a year and is not even able to get up from the bed. Under these adverse circumstances, I need hardly say, it is not possible to press them in the matter. If however, the Government fix any sum is to be paid by me I do not hesitate to bear the same.

I can assure that such things will not be allowed to re-occur in future and request you once again to kindly consider the situation and recommend to Government with all your support to reconsider the Government Order as per District Board Resolution dated 18-1-1935 and have the question as dropped.

OFFICE OF THE DEPUTY COMMISSIONER,

LB 96.33-13 4806/2

Dear Sir,

In continuation of my D.O.letter No.F.C.R. 5 dated 14-4-35 regarding the recovery of amounts spent in excess of that permissible, from the members of the Railway Deputation of the Kadur District Board, I write to state that the President brings to notice that only Rs 500/- was paid to the deputation. The members received as T.A. Rs 196-10-0. The total expenditure incur-red is thus Rs 696-10-0 not Rs 750/-. The amount to be recovered (1) would thus be Rs 421-10-0 not Rs 475/-. I request that this may be confirmed.

The President of the Board has asked that the amount to be paid by each deputationist may be stated as he does not wish to decide it being a deputationist himself. I am writing to him (2) to say that that is a detail which the deputationists should settle among themselves.

Mr. C. Vasuveda Rao, one of the deputationists died a few (3) days ago. Unless you instruct me to the contrary I shall assume that Mr. Devagowda and Mr. Hosakoppa Krishna Rao the other two deputationists will have to pay his share also.

Yours Sincerely,
M. Venkatesa Iyengar

SIR,

I have the honor to invite attention to my memo of this date forwarding letter No.L.B.1-126/34 dated 24-6-1935 from the President, Kadur District Board, addressed to you and sent through me on the subject of recovering certain amounts from the members of the Board's Railway Deputation and to offer the follwoing observations on the present request of the Board that the matter be reconsidered and further proceedings dropped.

2. The matter has been considered by Government several times and the Board informed that the orders already passed should be carried out. It appeared at one stage that the members of the Deputation would meet the wishes of Government. There seems to have occurred a change of attitude since. The Board are stating no reason to support the request for a reconsideration of the orders of Government. In the circumstances, I was unwilling to forward the letter and asked the President of the District Board to explain the situation. Copies of my letters and his replies are enclosed. It appears from the correspondence that the whole amount to be refunded has to come from Mr. Hosakoppa Krishna Rao.

3. In view of previous correspondence, I am of opinion that there is no reason to consider the present request of the Board. I am also of opinion that no portion of the excess expenditure need be waived as contemplated in your D.O. Letter No.L.8069/L.B. 90-33-14 dated 23rd May 1935 on the ground of Mr.C.Vasudeva Rao's death, as that gentleman

had apparently to pay no part of it. In their letter No. 6038/L.B. 90-33-5 dated 7-2-1934 to the President, Government stated that if the Board failed to comply with their orders in the matter steps would be taken under section 37 of the Mysore District Boards' Regulation. As the Board have made no effort to carry out the wishes of Government it would appear that the only course open is to take these steps.

4. I am awaiting further instructions in the matter.

I have the honor to be,

In continuation of my D.O. In enclosing herewith a copy of the resolution I request that you will kindly recommend to Government about waiving the amount owing to the controversial position of the question of recovery and in consideration of the small -ness of the amount to be recovered.

I can assure that such things will not be allowed to reoccur in future and request you once again to kindly consider the situation and recommend to Government with all your support to reconsider the Government order as per above District Board resolution and have the question as dropped as a special case.

I have received your official letter No.L.B.1-126/34 dated 24-6-1935 and your D.O. letter dated 24th June 1935 on the subject of the Railway Deputation charges. I understood you to say some time ago that you would make some payment immediately. You are now asking Government for a reconsideration of their orders. I do not know why you have changed your view of what should be done. The matter has been considered by Government several times and nothing is stated now which makes further reconsideration necessary, the question arising from Mr.C.Vasudeva Rao's demise having been disposed of. I would therefore suggest that some payment be made immediately as previously intimated. I shall be glad to have an early reply. In the meanwhile I am retaining the letter addressed to Government here.

But at Mysore I was convinced that nothing would be forthcoming. So, I was obliged to submit the resolution of the Board to Government. I am sorry to say that it is not possible for me to collect anything under the circumstances explained in my previous letters.

"I am in receipt of your notice No.257 dated 7th inst. re: Railway Deputation charges on behalf Kadur District Board.

"It is true that I was one of the Deputationists. But I am certainly not a party for the amount spent as I neither received it nor took any part in spending the same. I stopped at Bangalore for only 3 days i.e., 20th to 22nd of July 32 when the Deputationists approached the Dewan. I have claimed and received Rs.41-10-0 only being the actual T.A. and Daily allowance and nothing else.

"Out of Rs.500/- advanced to Mr. Hosakoppa Krishna Rao on 8-7-32 by the District Board, towards the expenses of the Deputation, not a pie was placed at my credit and as such I did not incur any expenditure. All expenses were incurred by Mr. Hosakoppa Krishna Rao himself and after a period of 5 months when the items of expenditure were explained in detail and was placed before the Committee for the approval, I affixed my signature to the expenditure incurred was absolutely necessary in the interests of the Railway which was a long felt want of the District.

"As I am not a party to the spending of the amount either directly or indirectly I beg to state that I am not liable for the payment of the same. For the same reason no suit should be filed against me simply because I was one of the Deputationists.

"Further, as I beg leave to bring to the notice of the Member in charge, the real state of affairs that transpired

I pray

I pray that the matter may be kept in abeyance till the end of next month without taking further steps.

ORDER NO. P3219-22 Law 93-35-1

Dated Bangalore 13th November 1935.

It came to the notice of Government in November 1933 that Messrs: Hoskoppa Krishna Rao, B.Deve Gowda and C.Vasudeva Rao who were deputed by the Kadur District Board in July 1932 to wait in deputation on the Dewan to press the request of the Board to link up Chickmagalur with Kadur by railway, had incurred an expenditure of Rs.750 and that this amount included various items not properly debitable to the funds of the District Board. The District Board was called upon to furnish details of the expenditure incurred and the accounts submitted disclosed that a sum of Rs.100 was paid as honorarium to the deputationists and that nearly Rs.500 was spent for publicity, lunch, typing, motor car etc. The President of the District Board was informed that several items of the expenditure were inadmissible and amounted to misapplication of money belonging to the District Board and requested to take action to recover the amount of such items from the members concerned. The District Board showed no inclination to make the recovery and in protracted correspondence pressed Government for a reconsideration of the orders. In the meanwhile it was reported that one of the members of the deputation, Mr.C.Vasudeva Rao, died in April 1935. On this Government expressed willingness to waive recovery of Mr.Vasudeva Rao's share of the amount from the other two members, in case they paid the balance immediately. There was however no proper response to this offer. The Government Advocate was therefore instructed to issue notices on behalf of Government to Messrs Hosakoppa Krishna Rao and Deve Gowda calling upon them to pay the sum of Rs.600 within a fortnight from the

date of receipt of the notice failing which further legal action to recover the amount would be taken in a proper court of Law. Mr.B.Deve Gowda has replied stating that he had received only the actual travelling allowance and that he ~~was~~ to not liable for the amounts otherwise spent as they were so spent by Mr.Hoskoppa Krishna Rao. Mr.Krishna Rao, though he received the notice on 8th September 1935, has not sent any reply nor has he paid the amount demanded.

In these circumstances, Government find that the only course open to recoup to the District Board the amount out of its funds misapplied by the deputation is to take action under Section 37 of the District Board Regulation. They accordingly direct that a suit be filed without delay against both Messrs: Hosakoppa Krishna Rao and B.Deve Gowda the - latter of whom must be deemed to have been a party to the misapplication of the money in question by the former. The Deputy Commissioner, Kadur District, is requested to engage a competent lawyer to institute the suit on behalf of Govemment in the court of the Munsiff of Chickmagalur and to take further action in accordance with the rules for the conduct of legal affairs of Government. The expenses of the suit may be met out of the Funds of the District Board.
